tax rebate.  
*(conditions apply)*

## Give and get back in March

The end of the financial year is just around the corner, making it the perfect time to support your local community through the Geyser Community Foundation.

Most donations of \$5 or more made to a registered charity are eligible for a 33.3% tax credit from IRD up to your annual net income. So if you give \$150, you will receive \$50 back as a tax credit and so on. Visit the [IRD website](#) for more information.

The new process for getting a tax credit is now even simpler. There is no need to complete a paper form this year because you can now claim donation tax credits in a myIR accounts, IRD's secure online service.

- You will receive your refund much sooner.
- Your receipts can be electronic receipts, or photos or scans of paper receipts.
- Your receipts can be uploaded anytime during the year.

Every year, generous Kiwis give more than \$3 billion to charities and community organisations. However, estimates from IRD suggest a large percentage of donation tax credits are never claimed.

Claiming tax credits is a great way to make your charitable giving go further. Donors can even nominate to gift their tax credit to Geyser by providing IRD with our bank account number – **02 0412 0055163 023**.

[Click here to make an online donation](#) of any amount through the Geyser Community Foundation. You can donate directly from your bank account or by credit / debit card and automatically receive a receipt for your donation.

If you prefer to donate by cheque, make it payable to: "Geyser Community Foundation" followed by the Name of the Fund you wish to support, and post it to Geyser Community Foundation, PO Box 611, Rotorua 3040 or drop it into us at 1274 Eruera Street, Rotorua. Don't forget to give us your name and address so we can send you an official donations receipt.

### **Geyser Community Foundation – a smarter way to give**

Community Foundations provide a smarter way to give to the community you love. We can invest and grow your donations so the interest they earn can benefit your chosen local causes year on year, forever.
